INVITATION FOR BID GSWA-006-22 HOUSEHOLD HAZARDOUS WASTE TRANSPORT & DISPOSAL

Questions and Concerns received from Unitek Environmental Guam on July 28, 2022

- Page 32 of 33 III Bid Sheet states:
The quantity below is GSWA's initial estimate for remaining FY 2023; quantity may vary, +/- 20% at no additional cost throughout the duration of this contract.
Clarification Request 1: Are the total quantities on the bid sheet the quantity over a two year period or per year?

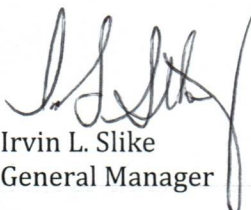

Response: The total quantities are an estimate for a one year period, fiscal year 2023.

- Clarification Request 2: The statement "quantity may vary, +/- 20% at no additional cost throughout the duration of this contract" implies this is a fixed price bid.
Is this a fixed price bid at the total cost for all units listed on the bid sheet?

Response: This is an Indefinite Quantity contract which shall be based on unit prices of a fixed-price type. Please refer to Amendment No. 1.

- On Clarification Request 3: If this is not a fixed total price bid, and it is a unit based contract where the contractor is to invoice on a per unit basis by line item pricing, the above statement then implies that the total for each line item can be 20 percent higher than the quantities listed. For example, Item 2.1 Oil Based Paint (poured) has quantity of 36 drums. A plus 20 percent increase adds 8 additional drums. If the contractor cannot bill for these 8 additional drums per the statement above, the contractor will then be required to price the 36 drum unit prices at a 20% higher cost to address the costs associated with these 8 additional drums.
If this is a unit based contract, we recommend that the statement "quantity may vary, +/- 20% at no additional cost throughout the duration of this contract" be removed to prevent unnecessary additional cost per unit.

Response: This is an Indefinite Quantity contract which shall be based on unit prices of a fixed-price type. Please refer to Amendment No. 1.
