### SCOPE OF SERVICES:

COMPLY / NON-COMPLIANCE

Vendor must perform services at its own fully, functional maintenance facility. This maintenance facility shall be deemed a working maintenance facility with indoor bays parts inventory and certified mechanics (will require ASE Automotive Service Excellence) with experience in diagnostic testing, understanding schematic drawings and equipment manuals. Facility will require ASE recognition standard. Certifications must be submitted with bid documents as a requirement.

Provide tire repair or new tire replacement services, as needed, for vehicles/equipment. Services shall include, but not limited to, mounting, balance, valve stem, as needed, disposal of tires, and field/road or shop tire repairs; also to include any standard warranty, provided to all vendor's customers, on tire repairs or new tire replacements.

Service technician shall be available from 0245-1800 hours, Monday through Friday, including all holidays on a weekday, except Christmas Day and New Year's Day, on an on-call basis from Saturday and Sunday from 0700-1530 hours.
